Delhi, India

## SUMMARY

I am a results-driven web developer with a passion for crafting exceptional user interfaces. Throughout my college journey, I dedicated myself to part-time jobs and internships, where I honed my skills in HTML, CSS, Bootstrap, React.js, and UI development from designs. Now, I am prepared to take on more significant challenges, leveraging my expertise to create engaging web experiences that leave a lasting impression

## EXPERIENCE

Dec. 2021 – July 2023	<b>GROWTH99</b> <b>UI Developer</b> <ul style="list-style-type: none"><li>Built and customized web templates for clients using HTML, CSS, and Bootstrap, ensuring alignment with their marketing goals.</li><li>Contributed to a company portal by designing and implementing user interfaces, collaborating with teams to ensure seamless integration and a positive user experience.</li></ul>
